
R. ROGER ROWE ELEMENTARY SCHOOL

Rancho Santa Fe, California

Size: 76,000 SF

Contract Amount: \$5,370,593

Contractor/Operator:
C.W. Driver

Owner: Rancho Santa Fe School District

Architect/Engineer: Trittipop Architecture & Planning/ILA Zammit Engineering

Description of Work

The 76,000 SF elementary school project consists of demolishing 5 existing buildings, relocating 3 buildings, and providing new infrastructure for 6 new buildings that will be connected with skybridges. These buildings will house a new kindergarten, elementary, middle school, administrative offices, science classroom and performing arts room. New additions also include large amounts of new landscape and hardscape and an outdoor learning center.
