
UCSD TELEMEDICINE

La Jolla, California

Size: 96,000 SF

Contract Amount: \$5,941,060

Contractor/Operator:
Swinerton Management

Owner: UCSD

Architect/Engineer: Skidmore,
Owings, @ Merrill LLP

Description of Work

The UCSD Telemedicine building is a new 96,000 sq ft facility consisting of lab work space, wet labs, lab support rooms, offices, conference rooms, operating rooms and dining facilities. The three-story cast-in-place concrete building with lower level basement has a total usable square footage of 86,372 cf. The building design and systems incorporate sustainable “green building design” features and practices as defined by the United States Green Building Council Leadership in Energy and Environmental Design (LEED) standards. The new facility will be a regional and statewide center for new initiatives in tele-education and telemedicine to support improved health care access.
